Ordering Guide

Category 1

PURPOSE:

The procedures outlined in this ordering guide support the ordering of standard laptops and desktops in accordance with the Office of Management and Budget's (OMB) Category Management Policy 15-1, dated October 16, 2015. To meet OMB's Category Management Policy 15-1, government-purchasing officials must ensure their basic laptop and desktop requirements are selected from OMB's three laptop or desktop minimum standard configurations.

CATEGORY 1:

OMB minimum standard laptops and desktops are available in [NITAAC's electronic-Government Ordering System](#) (e-GOS): Log in required. Click [here](#) for a listing of minimum standard configurations.

FAIR OPPORTUNITY:

Requirements for meeting fair opportunity can be found in [FAR Part 16.505](#). Please call 1.888.773.6542 or email the NITAAC Support Center at NITAACSupport@nih.gov if you have any questions.

IMPORTANT:

Instructions found in this ordering guide are for those that have the procurement authority to purchase on behalf of the government, including p-card holders, members of the Head of Contracting Activity delegated community, and 1102s. Those without procurement authority may review the laptop and desktop offerings and should work with their purchasing official to issue a Request for Quote (RFQ) or make an award.

IMPORTANT:

For orders that do not exceed the Simplified Acquisition Threshold (SAT), a contracting official need not contact each of the multiple awardees under the contract before selecting an order awardee, provided that the contracting official uses the information available to ensure that each awardee has been provided a fair opportunity to be considered for each order (FAR Subpart 16.505(b)(1)(ii).

REQUIREMENTS \$150,000 ≤ \$5.5 MILLION

1. Follow procedures #1 through #3 as specified for **Requirements ≤ \$3,500**
2. Review GSS [minimum standard configurations](#) to determine which configuration(s) meet your requirement(s).
3. Click on the **Additional Specifications** hyperlink located inside every configuration box (e.g., Lightweight Laptop) to download one (or more) of the six (6) configurations (in PDF format) and use the specifications as an attachment to the e-GOS RFQ.
4. Issue a Chief Information Office Commodities and Solutions (CIO-CS) Request for Quote (RFQ) in e-GOS, following steps 1.a through 1.h of **Requirements \$3,500 ≤ \$150,000**. It's important to note that if you are restricting to one manufacturer, you are required to upload an exception to fair opportunity.
5. After completing evaluations of quotes received in e-GOS, issue delivery order(s) (i.e. award) using your agency contract writing system, and report it in e-GOS to complete the delivery order process.

NOTE:

To meet the FAR requirements for orders between \$150,000.00 and \$5.5 million, the purchasing official shall provide the minimum standard configuration(s) that meet the requirements, to each of the GSS contract holders. This differs from the instructions for under \$150,000, since you are allowing each GSS contract holder to provide a quote that meets the minimum standard configuration of the requirement. To meet the FAR requirements, follow the steps below and refer to FAR Subpart 16.505(b)(1)(iii) for additional guidance.

IMPORTANT:

For orders that do not exceed the Simplified Acquisition Threshold (SAT), a contracting official need not contact each of the multiple awardees under the contract before selecting an order awardee, provided that the contracting official uses the information available to ensure that each awardee has been provided a fair opportunity to be considered for each order (FAR Subpart 16.505(b)(1)(ii).

REQUIREMENTS > \$5.5 MILLION

1. Follow the procedures as specified for **Requirements \$150,000 ≤ \$5.5 million**.
2. Follow the procedures under [FAR Subpart 16.505 \(b\)\(1\)\(iv\)](#) and your agency specific guidance on how to issue a delivery order in excess of \$5.5 million.
3. After reviewing the quotes received in response to an RFQ, generate delivery order(s) (i.e. award) using your agency contract writing system, and report it in e-GOS to complete the delivery order process.
